“Choose This Day”

Joshua 24:15

Just like Joshua and the Israelites started over and celebrated a new beginning, it is time for the Mesa Church of Christ to do the same. We are encouraging every member to join in this re-dedication and new beginning by being present for this special service.

We need to know each other better! If your families' picture in the directory is not current, take the opportunity to have it made immediately after the service.
